Responsibilities

Normal fines and loan periods apply to materials checked out on your Teacher Card. If fines on either card exceed \$5, you will not be able to check out items or use managed Internet computers until the fines or fees are resolved.

Teacher cards expire the first day of June and may be renewed at any time after that date.

How to use the Teacher Card

Holds may be placed in our online catalog, InfoSoup, using the barcode number at the top of this form. The first time you use the card for placing a hold, you will be prompted to create a PIN by following the instructions given on the page.

The Teacher Card is stored at the issuing library, which is indicated at the top of this form. To check items out to your Teacher card, present your personal OWLSnet card at the issuing library and ask the staff member to check out items to your Teacher card.
